Internships in Barcelona with Casamona Real Estate

We would like to give your University students the possibility to do an internship with us at Casamona in Barcelona.

An internship at Casamona is a great opportunity for students to take the responsibility and freedom to implement new ideas in an organization and to be valued for their work. Casamona is run by very young people and therefore interns must be ready to work independently, learn quickly and be helpful. All of the applying students have to be able to work independently and in a team environment.

What is Casamona?

Casamona International is a Real Estate company in Barcelona, founded in 2004, offering unique and different flats for Sale and for Rent. We have a large international client base and a team from all around the world. We are differentiating ourselves by only having “casas mona”, cozy homes, which we would like to live in ourselves.

We offer the advantage of being a small, dynamic company, so our interns have a great deal of autonomy and freedom to make changes from day one in a truly international environment and, eventually, examine the results of your work! But it also requires you to be able to work independently and to take on a lot of responsibilities.

We normally take on between 10-12 interns from all over the world making Casamona a very young and dynamic environment. Our motto is work hard, play hard and we like to celebrate different holidays and festivities together as a team.

We have a range of roles available; you can see descriptions of these positions below:
